President's Message, Diane Killinger

Seasonal Change and New Beginnings

As summer gives way to fall, September brings striking changes in nature, from colorful foliage to animal migrations. It is also a season of new beginnings as students return to school, communities settle into fresh routines, and the nation prepares for important civic observances.

Honoring September 11

September is also a time to remember the terrorist attacks of September 11, 2001, which claimed nearly 3,000 lives. We honor those who were lost, support those forever changed by the tragedy, and reflect on how the attacks reshaped our nation's security, foreign policy, and public life.

September 11 remains a defining moment in U.S. history and a powerful reminder to stand united in the face of continuing threats. We will never forget.

Election Season: Stay Engaged

As the general election season gets underway, let us stay engaged and vigilant between now and Election Day. There are many meaningful ways to support our candidates and strengthen local efforts.

Ways to Help

- Knock on doors or walk in a parade.
- Volunteer at GOP Headquarters.
- Help with letter writing, mailings, and postage.
- Distribute candidate literature.
- Donate reams of paper or other needed supplies.
- Make a financial contribution.

Every Effort Matters

Every contribution, whether time, talent, supplies, or financial support—brings us closer to our goal of keeping Ohio red. Everyone is welcome, and every effort matters. Please get involved, we need you!

LEGISLATIVE UPDATES:

Submitted by State Senator Jane Timken

Political Landscape

As Election Day approaches, data centers and Flock cameras continue to dominate the political conversation. Gas prices and taxes are also drawing significant attention. I expect the legislature to take up data centers and Flock cameras when it returns.

Recent State and Federal Updates

- **Cleveland-Cliff's investment:** JD Vance visited his hometown last week to announce Cleveland-Cliffs' \$1 billion investment in its steel plant for an advanced-coal retrofit.
- **Meta consent decree:** Attorney General Andy Wilson announced a 10-year consent decree requiring Meta to implement sweeping safety measures on Instagram and Facebook related to harms to the mental health of children and teens. Ohio will receive \$457 million from Meta.

Economic Indicators

- Ohio unemployment fell to 3.4% in July.
- The U.S. July jobs report showed 162,000 jobs added, well above the expected 55,000.

Election and Voting Updates

Of note, Judge Solomon Oliver ruled last week that Ohio's requirement that BMVs offer voter registration only to those who provide proof of citizenship is likely preempted by the National Voter Registration Act. Secretary of State LaRose is likely to appeal, and the appeals court is expected to rule before the election.

Oliver's ruling runs counter to Ohioans who believe that only citizens should vote in our elections.

- **Voter registration deadline:** October 5
- **Early voting begins:** October 6
- **Election Day:** November 3
